EXPERIENCE LIVE ACTION SPORTS, MOVIES OR THE LATEST COMPUTER GAMES

Thrilling moments are even more intense on the big screen – especially when shared with friends and family.

With their simple set-up you can enjoy Epson projectors instantly. No need to sit in the dark either – Epson technology lets you enjoy superb daylight viewing, even at close range. It's what has made us the world's number one projector manufacturer since 2001.*

Epson 3LCD imaging technology means no flicker or colour break-up, just sharper, more accurate colours. Make the most of home entertainment with Epson cutting edge technology and get ready for an amazingly realistic experience.
